Brenizer is an agent, as well as office and marketing manager, with Golden Rule Insurance Agency in Osage Beach, Mo.

The annual award recognizes an independent insurance agent 40 years of age or younger who has demonstrated dedication to the insurance profession by involvement in local, state or national activities, through personal efforts

He began his insurance career in 2010 after graduating from the University of Missouri, and was immediately an active member of MAIA. He currently serves on the MAIA Small Agency Conference Committee and the Missouri Trusted Choice Junior Golf Committee. Founded in 1899, the Missouri Association of Insurance Agents is the oldest and largest association of independent agents in Missouri, representing some 4,000 independent agents, brokers and their employees. Its members are businesses that offer customers a choice of policies from a variety of insurance companies. Lake Area Chamber Director's Corner with Sandy Waggett

As the current Lake Area Chamber Vice President and Membership/Marketing Committee Chair, I'd like to personally thank you for your membership and involvement with the Lake Area Chamber of Commerce. Having moved my business multiple times through the years with my husband's military assignments, I've had the fortune of being a member of many different chambers across the country. Our Lake Area Chamber is absolutely the most dynamic and business focused of them all. My return on investment with the Chamber, both monetarily and in time spent, has been incredible. If you haven't joined the Chamber yet, or are considering your renewal, I'd like to offer a personal testimonial: MSW Interactive Designs LLC has been a member of the Lake Area Chamber for 7 years now, and I am in my 4th year on the Board of Directors. Being a member of the Chamber has not only been great for getting new business, it's been a fantastic way to meet the movers & shakers around the Lake area and stay abreast of issues that may impact my business. Serving on the Board has provided a way to give back and be involved in the business community on an entirely different level. Between the monthly networking socials, business educational opportunities, community education events, the enterprising Young Professionals group, the innovative marketing opportunities, major events, and now the all-new Home & Lifestyle Show this Fall, there is truly something to benefit every business in the area. Our Board of Directors is thrilled to have an exciting and energetic new Director in K.C. Cloke, as well as real go-getters in our Membership Director, Marketing Coordinator, and support team. It's an exciting time for our Lake Area Chamber of Commerce and your support and involvement is greatly appreciated. To stay abreast of what's happening with your Chamber, be sure to read the monthly newsletter delivered to your email inbox, and by all means LIKE our Facebook page at <https://www.facebook.com/LakeAreaCC>. This is where you'll find everything happening with the Lake Area Chamber of Commerce. Hey, and if you feel inclined to share a success story on our Facebook reviews, we won't mind a bit! As your Chamber, we're committed to improving the economic prosperity and quality of life in the Lake of the Ozarks area, and to be the principal advocate for and a provider of services to the Lake business community. Won't you join us?
